To best meet UW and Fred Hutch’s policies regarding social distancing, we highly recommend you conduct your thesis defense remotely. MCB usually requires a signed warrant after the exam. However, in light social distancing policies, your committee members will submit their grade for your exam electronically. Below are guidelines for setting up a remote meeting and submitting the Final Exam Warrant.

BEFORE THE DEFENSE
3 WEEKS BEFORE DEFENSE
- Schedule Final Exam in MyGrad Program
- Please email Maia (maialow@uw.edu) a list of committee members’ names and emails for the Exam Warrant
- Set up a Zoom Meeting and send invitation to committee by following the guidelines below

1 DAY BEFORE MEETING
- Send your presentation slides to committee members
- Include slide numbers on the slides in case a committee member loses their video connection
- Send Zoom Meeting reminder

AFTER THE DEFENSE
- Each of your committee members must email Maia (maialow@uw.edu) indicating if they recommend a pass or fail grade.

SHARING YOUR DEFENSE MEETING LINK
Zoom generates an invitation link. Please email this to Maia and Madeleine (maddyzee@uw.edu). We will share it with the MCB community. You can also share this link with family and friends. PLEASE NOTE: TO PREVENT UNWELCOME PARTICIPANTS, DO NOT SHARE THIS LINK ON SOCIAL MEDIA.

HOSTING A MEETING
As the meeting host, you can control muting the audio and video for participants, using the “Manage Participants” button at the bottom of the meeting screen. Here are more instructions about hosting:

ADDING A CO-HOST
Please make your PI a cohost. Then they can help with facilitating the exam and when your committee needs to use the Breakout Rooms (see below). Your PI can also admit participants into the presentation from the Waiting Room. Here are instructions to add a cohost:
https://support.zoom.us/hc/en-us/articles/206330935-Enabling-and-adding-a-co-host

RECORDING YOUR MEETING
You are welcome to record your exam. Please be aware that Washington is a 2-party consent state for recording interactions. When you start recording, Zoom will send a message informing participants that recording has started and that they can leave the meeting. Please also note that discussions in the Breakout Rooms are not automatically recorded. Here are more instructions:

AUDIO AND VIDEO TROUBLE-SHOOTING
Here are some recommendations if committee members have problems with their audio or video:
- Turn off all but speaker video/audio if connection becomes problematic via “Manage Participants” at the bottom of the video screen
- Use the “Call in to meeting” function if computer audio not working

FACILITATING QUESTIONS
Because of the number of people attending your meeting, we recommend you take questions through the chat feature. The chat window is found at the bottom of the zoom screen. Your co-hosts can monitor the chat window for you. Let your audience know at the beginning of your defense about the chat window. Here are chat instructions:

SHARING YOUR SCREEN
You can share your screen via the Share Screen function at the bottom of the video screen. Make sure to share the correct screen as there will be multiple share options. Here instructions to share your screen:

Only you and your alternate hosts can directly enter your exam. As the host, you will have to admit everyone else from the waiting room. Here are instructions:

**Committee Discussion**

Here are instructions for when your committee conducts discussions without you:

- Use “Manage Participants” to change your PI to the HOST
- The Host can now move you into and out of the Waiting Room:
