

BioQuest Academy : Are You?

Center for Infectious
Disease Research

BioQuest Academy

- Interested in increasing the number of WA teens thinking about science careers?
- Passionate about supporting under-served youth in STEM education/careers?
- Helping young scientists to understand why you are a scientist?

BioQuest Academy provides exciting opportunities for high school juniors to do real biomedical lab research.

As a TA you will:

- Train students in basic lab techniques
- Teach independently 2-6 days, 4-12 students
- Help setup and wind down labs
- Mentor students for college preparation
- Be creative, work with students
- Help students with essay workshop in Sep 2016

BioQuest Academy schedule:
